

## What is the Culture of Life Ministry at our church?

Our mission is to provide educational opportunities and resources to inform our parish community, according to the teachings of the Catholic Church, on the sacredness, value, and respect of every human being from the very first moment of creation until death, to tirelessly defend the dignity of every human being as a gift from God.

Our ministry focuses on three primary areas:

- **Prolife/Abortion/Post Abortive Healing:** We support this focus by:
  - Representing the Birthline Table on the third weekend of every month where we provide educational information on Birthline, prolife, abortion and post abortive healing.
  - Participating in the 40 days for Life and the San Diego Walk for Life
- **Culture of Life Education:** We support this focus by:
  - Having a Culture of Life corner in our church bulletin.
  - Posting our Culture of Life articles on our website.
- **Death Penalty and Restorative Justice:** We support this focus by:
  - Inviting guest speakers to our quarterly Meeting.
  - Discussing Restorative Justice in our Culture of Life corner and blog.

We welcome everyone of all ages, single, married, moms, dads, and grandparents. We hope to see you at our next meeting. At our meetings, we touch on one of the above areas of focus, spend time discussing so we understand our world today, and find ways to put our words into action.
