

Funeral Music

"Music is integral to the Funeral rites. It allows the community to express convictions and feelings that word alone may fail to convey. It has the power to console and uplift the mourners and to strengthen the unity of the assembly in faith and love. The texts of the songs chosen for a particular celebration should express the paschal mystery of the Lord's suffering, death, and triumph over death and should be related to the readings from Scripture." (The Order of Christian Funerals)

Dear Family,

We are sorry for your loss, we pray that the peace of God will be with you as your loved one is welcomed into the Kingdom of Heaven.

The following music selections exemplify the intent suggested above by the Order of Christian Funerals and they are some of my favorite hymns!

If you have a favorite hymn of your own that you would like celebrated at the liturgy for your loved one that is not on this list and you feel is appropriate, please do not hesitate to ask.

You will also find this list along with other information on our website at:
