

**Culture of Life Survey Results
October 2022**

History: At our June 2022 meeting, we brainstormed ideas on how we can realize our mission of bringing education and resources to our parish community. The brainstormed ideas are grouped under our three pillars of our ministry: (1) Pro-life/Abortion/Post Abortive Healing; (2) Culture of Life Education; and (3) Death Penalty/Restorative Justice.

Purpose of the Survey: We asked the ministry members to provide their feedback on what activities identified from the June meeting, would help grow our ministry and/or help the parish community learn more about what Culture of Life means.

Survey: As a reminder, below is the survey questions.

Prolife/Abortion/Post Abortive Healing

Yes, I like this.

Please provide any additional feedback that you feel will help us spotlight our ministry and bring more to our Parish.

Survey Results: We had 8 responses to the survey where the respondents were to look at the entire list and pick their **top five** activities for this year. Below are the results:

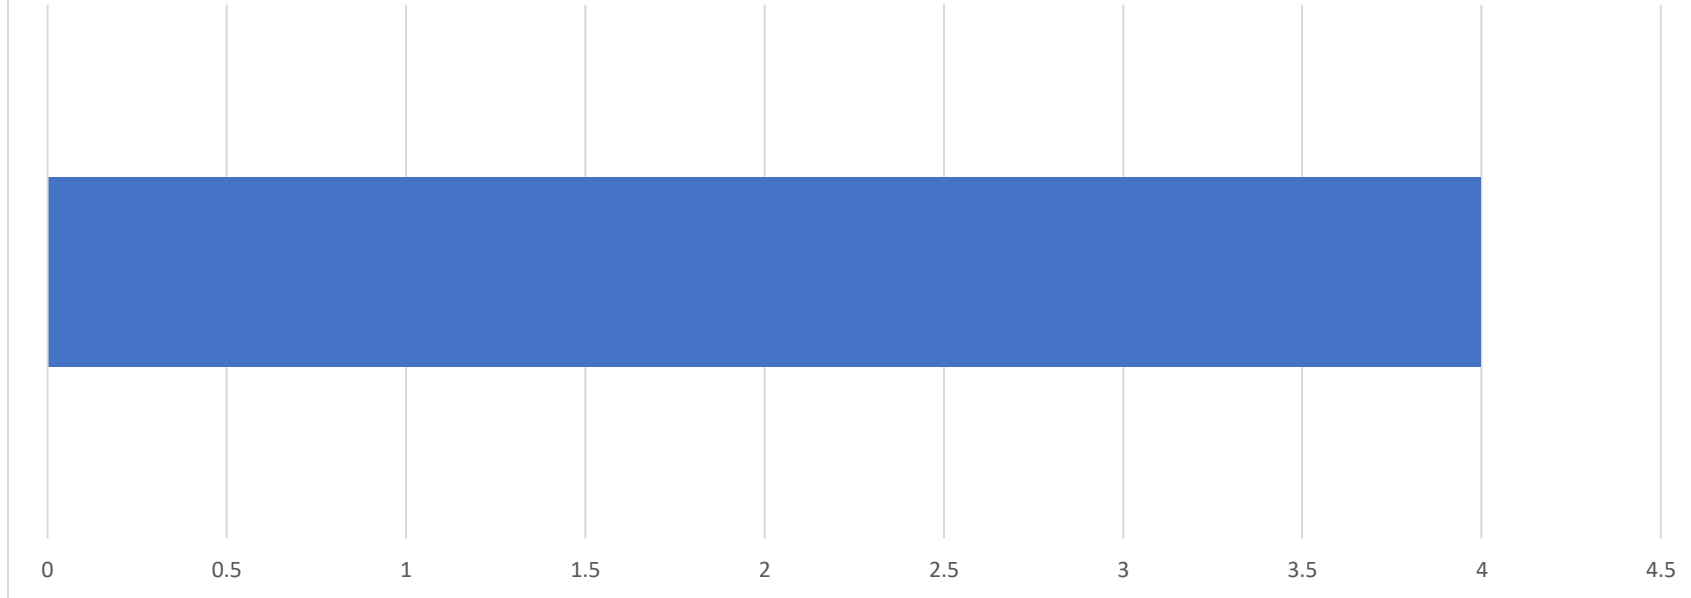

Pillar #2: Culture of Life Education Votes

Pillar #3: Death Penalty/ Restorative Justice

Speakers (i.e., Larry Fultjon, Rise Up Industries, Diocesan Restorative Justice Director)

Two respondents provided additional feedback:

1. Could incorporate some of the options into others - e.g. speaker from Birthline at the Baby Shower!
2. I think the "ministry fair" was a good way to 'reintroduce' ourselves to the parish; I believe we got a fair number of interested people (phone number/email) maybe I (we) can follow up and ask them to participate in an event or man the Birthline table

Next Steps:

1. Schedule a meeting with the core team to review the survey results and plan out next steps such as present results at the next ministry meeting and request volunteers to assist in the planning over the next few years (?).
